

May 10th/2011.

From the Commodore of Twenty Hundred Club.

To all members and supporters of our Club.

As you know, we had some changes this year to our slate of Club officers.

Nothing drastic, but I feel you should be informed about these.

Our very reliable core of volunteers did not change and I would like to express my gratitude to all these dedicated members for staying on and continue to do the great work to make our Club even better and help us grow for the future.

Also, I would like to express my thanks on behalf of all members for the sterling service and dedication to our Club provided by the past Commodore John Whaley and his dedicated team, consisting of Stacy Lamphere, Jan and Gary Russell, Lynne and Tom Charlton, John Howell and Stephen Morris.

Without these people, I think we would be somewhat lost and our Club would be experiencing down turn in membership as many other Yacht Clubs in our area are facing at present.

First, I would like to introduce my self to all of you. Some of you know me, but I think most don't.

My name is Jan Petr V. Trousilek and I was elected to be your Commodore. I hope, I will be able to fill the shoes of all of your past Commodores.

The reason I did take on this challenging position is very simple. I love what is our Club about. We should use this to our benefit and try to grow our ranks, since I believe; we offer something very unique to our members.

In my eyes, we sail, we cruise and we race, all in no stress environment and I think, just for the joy of it. We do welcome

families and introduce new members to fun we derive from just being on the water.

I need all of you to spread the word, how much fun we all have. We are not exclusive, our forte is being inclusive. And I like that very much about our Club.

So enough of my pontification and let me present you with our newly elected slate.

Vice Commodore is: Brian Dunne.

Rear Commodores are: Stacy Lamphere and Jan Russell.

Secretary is: John Brady.

Treasurer, the one and only!! Lynne Charlton.

We should all welcome these new officers on board and offer all our help, to assure, that our Club will have great season and continues to prosper for the future.

In closing only thing I need to say about our Spring Award Party is.

It was raging success and ton of fun, thanks to your participation. Many thanks should go to members who spend countless hours to make it happen.

I am looking forward to see you on the water and hope you will all take part in our racing this summer and continue your support. And when we sail or race, let's show our burgee where ever we go.

Fair winds.

Jan Petr V. Trousilek
